

OREL VINE SCHOOL Newsletter

THE NOVEMBER NEWS

Start a child in the way he should go and when he is old, he will not depart from it.

Hello Super Parent!

We would like to let you in on what has been happening around school, and to tell you about more exciting upcoming events so that you're not left out!

COMING UP!

- The preschoolers are planning interesting fun filled study excursions this November. Watch out!
- The preschool **Cultural Day** is going to be a blast! Save in bold **21st November** on your planner. You will be blown away with the little ones' classy talents!
- **Competitions:** Besides the several internal competitions we have had this term, we have more interschool competitions lined up for several clubs like:
 - ❖ Our **Robotics Club** members will be competing on a **national level** on 7th November at Wish them all the best!
 - ❖ **The swimmers** in the Swimming Club are taking on Cornerstone School on 14th November. We know we will win! Venue is African Village.
 - ❖ Our **chess** champions are more than ready to compete in the Prestige Cup the Rapid Chess Tournament on 29th Nov, with many prizes to be won. The venue is Emmanuel College Kazo.
 - ❖ We have several **internal sports** competitions lined up with our new school teams. You should have watched the school soccer team match with the teachers...!
- The primary and high school **Student Led Conference** is scheduled for **21st November**. Do not miss this pivotal day as your child shares with you their future dreams and plans. Book your slot with the class teacher!
- **Career Week:** Great plans have been made for 27th and 28th November. Our high schoolers will interact with professionals from our very own parents in various professions as they discuss about passions and professions, on the 28th.

How exciting to learn from the best! Enactive Study Link has a day to answer all the students' questions on the 27th.

- **Sharing is Caring:** Our children are so generous, and as a culture, every term we have "Sharing Day". This term's "Sharing Day" will be on 5th December, the last day of the term.
- **Christmas Production:** What better way is there to end the year than with a celebration of the birth of Christ! This will be elaborated through various creatives like a skit titled ***The Gift of Change***, dance, and great music. It's a family event, and your seat has been reserved. Come witness a showcase of talents!
- **The Parent-Teacher conferences:** The preschool Parent-Teacher conferences are scheduled for 11th December. All preschool parents are encouraged to take this seriously to get depth into their children's academics, and get to strategise the best ways to help them flourish.

FLASH BACK!

PTA AND SCHOOL MANAGEMENT MEETINGS

On 10th October, the parent representatives met and shared great ideas in two separate meetings; the school management meeting for the preschool section, and the PTA meeting for the rest of the school. Several important things about the school growth and development were discussed; including academics, cocurricular activities, fundraising for infrastructure like a swimming pool, and so much more.

COMMUNITY SERVICE WEEK:

Did you know that the whole school, right from preschool to high school, was actively involved in awesome community service activities? From themes like "Let's Go Green", "Safety", "Tree Planting", to preparing a serious visit to Luzira Women's Prison plus donations to women in the Luzira community market, the children truly outdid themselves! The highschoolers became expert professional liquid soap producers, and made jerrycans of liters of liquid soap, just to share the love of Christ with the prisoners. You should have seen the heavily laden bus with students, teachers, and donations. That is the true love of Christ Jesus.

HIGH SCHOOL CAREER TALK

They received VIP treatment at the prison, and were taken through a serious lesson about crime. They got first hand interviews with the prisoners, and will definitely never depart from the invaluable advice shared from the horse's mouth. Bravo to the parents for the generosity!

LET'S TALK ABOUT UNIVERSITY LIFE

It's never too early to plan for university. We had a very informative University Talk with our highschoolers on 23rd September in partnership with Global Study Uganda, with focus on courses, cost, countries of choice, among others. So much information about university education and life in different countries was shared in the interactive session.

PROJECT WORK

At Orel Vine School, this is a critical part of the academics. As usual, different classes made interesting projects. Do not miss the chance to see what your child did, during the Student Led Conference. Innovation and creativity are core.

CHECKPOINTS, ASSESSMENTS, AND STUDENT LED CONFERENCES

Orel Vine school has two cycles for checkpoints, the main one being May/June, and the alternative being the October/November sitting. We had a few candidates that sat for the October/November series.

For effective evaluation, our children are doing three sets of

LUZIRA MARKET DONATIONS TO WOMEN DURING THE HIGH SCHOOL COMMUNITY SERVICE

TREE PLANTING DURING UPPER PRIMARY SCHOOL COMMUNITY SERVICE

THE LOWER PRIMARY COMMUNITY SAFETY SENSITISATION DURING THE LOWER PRIMARY COMMUNITY SERVICE

standard assessments this term. The beginning and the mid-term assessments have already been done successfully. Discussions about these will be shared during the Student Led Conference on 21st Nov as plans are made for the last set. The end of term assessments is scheduled for 24th -28th November.

STUDENT LEADERS

Congratulations to the new students' leaders! You did well in the campaigns, and you took the crown! We can't forget how impressive the outgoing leaders have been. Once a leader, always one! We can't wait to feel your impact, and see you discover the greatness hidden within.

DOC-TALK!

Health: We give God the glory for protection and good health. Despite the chickenpox scare, we emerged victorious with all the affected completely healed. We will remain on guard, and urge parents to do the same for the sake of the children. We pray for anyone with an ailment to get well soon.

THANKS!

You're so amazing for sticking around till the end! We wish you the best as the year closes in. We are positive that all will go well in the Mighty Name of Jesus!
